EXT. AMC MOVIE THEATER - NIGHT

A couple (MAN and WOMEN) holding hands walks towards a HUGE AMC Theater. A NARRATOR begins to speak.

NARRATOR

It's Oscar Season here at AMC
Theaters! And we're ready with all
your favorite things!

The couple comically points to a huge tub popcorn a LARGE soda and a slushie. They grab their snacks and drinks and head to the theater.

NARRATOR (CONT'D)

But we've also got something new!

The couple is sitting in the theater.

NARRATOR (CONT'D)

You guys tired of those kids in the
back talking through the whole
movie?!

The man leans forward.

MAN

Yes, they won't shut up.

NARRATOR

Well our new noise activated seats
will do the trick!

MAN

Wow, thanks!

The kids in the back are a few boys dressed like skaters laughing and talking LOUD AS HELL.

All of a sudden the seat starts to shake and make noise. The kids are scared and holding on for dear life.

Out of the bottom of the chair a huge arm mechanically unwinds and at the end there's a GUN.

The gun points at the kids face!

NARRATOR

Please be quiet and enjoy the
movie!

KID

OK! OK! I'LL STOP!

NARRATOR
You're still talking. Please stop
talking. NOW.

The kid nods and agrees.

CUT TO

The couple looks back in AWE!

NARRATOR (CONT'D)
Did that do the trick?!

The man whips his head around.

MAN
(scared)
I mean I guess! But they're just
kids.

His wife chimes in.

WOMEN
Yeah, I could've just yelled at
them!

NARRATOR
Do you want to see the Samuel L.
Jackson feature?

WOMEN
No!

MAN
Oh god no!

CUT TO

The gun is waving in the air very animated, screaming!

SLJ
SHUT THE F**K UP!

KID
OK!

SLJ
STOP TALKING!

KID
I WILL!

SLJ
THAT SOUNDS LIKE TALKING TO ME!

KID
WHAT DO YOU WANT FROM ME!

The gun COCKS itself as the kids SCREAM1

INT. OUTSIDE THE THEATER DOOR

We hear a TON of gunshots unloading while TWO MOVIE GOERS stand still looking at the door it's coming from.

MOVIE GOER 1
Whoa.

They both look from the door to the mini marquee above the door:

It reads: Theater 10 - Frozen 2

NARRATOR
AMC Theaters!

Samual L Jackson chimes in.

SLJ
SHUT THE F**K UP!

THE END.
