ALLY (CONT'D)

Ok, so. Uh, Danny ever since I sat next to you in math class I was like 'oh he's super cool.' He's good at math, he's good in gym class, and he sits with the cool people at lunch.

Danny can't deny these facts.

ALLY (CONT'D)

And then that one day when Becky opened her locker and it hit me in the face you asked if I was ok.

DANNY

Ally uh-

ALLY

And the time you were the only one to *not* throw up when I had my first period at lunch. I knew that I didn't just think you were cool.

DANNY

(cutting in)

I should really say what I need to say-

ALLY

Let me finish.

Danny lets her keep going.

ALLY (CONT'D)

I like you Danny! I like like you! I want to hold your hand and like eat latkas with you, and have my mom drive us to a movies as we sit silently in the back of my minivan not talking, and eat pizza that's too hot.

DANNY

We can do that but-

ALLY

So you like me too?! I KNEW IT! AHH! We can be boyfriend and girlfriend and have a couples name. What should it be? I'm thinking Dally, but I could vibe with Annlly too.

Danny keeps trying to interject but she's going OFF.

ALLY (CONT'D)

My friends are gonna be SO jealous
I'm so excited to tell them.
Lauren's gonna KILL me because she
likes you too but she can frankly
suck one because I'm the one who
gets to kiss you now.

DANNY

What?!

She GRABS Danny's face and kisses the fool.

DANNY (CONT'D)

WE'RE RELATED!

He pulls back and wipes his tongue.

ALLY

WHAT!?!

DANNY

I'm so sorry!

ALLY

Why did you let me go ON FOR SO
LONG!

DANNY

I tried to stop you!

ALLY

What the FRICK Danny!

DANNY

I'm SORRY ALLY! I didn't know how
to bring it up you just seemed so
into it.

ALLY

Well I'm not into it if you're my
brother...

(beat)

...Well? No. NO! I'm not into it.

DANNY

Me neither!

ALLY

How are we even related?!

DANNY

Ok, so a few days ago I was looking around my moms closet because it's almost Hanukah and I want to know what she got me.

ALLY

Gosh I do the same thing! We're so similar.

DANNY

We're also related!

ALLY

Sorry.

DANNY

And there was a phone in there, but not her regular phone. So I opened it and started looking at the texts and they were only to one person named Dr. Weiner. That's your dad right?

ALLY

Oh no, yes..

DANNY

Yeah, Doctor Dick Weiner, that's a rough. Anyways- they only talk about us and like how we and like how *they* are and how no one can find out and ways to keep it hidden. And then there was a bunch of weird things I couldn't pronounce like-

He takes out a notebook.

DANNY (CONT'D)

BDSM? Which could only logically mean Brother Daughter Secret Meetings. They also really seem to love Tekashi 69? Also do you have a dog?

ALLY

No.

DANNY

Ok, then I'm for sure getting one for Hanukkah because there's like seven dog collars like this in the closet.

Danny holds up a collar with a ballgag attached.

ALLY
You're so smart! What else?

DANNY
That's it.

Ally is confused.

ALLY
What?

DANNY
Pretty damning, huh?

ALLY
You didn't find like a birth certificate or anything.

DANNY
Nope, but me and your dad have the same mole on our penis' sooooo-

ALLY
I think our parents are just having sex.

DANNY
Ew! WHAT?! That's gross. My moms never had sex.

Danny and Ally's PARENTS walk on stage. They stop in their tracks

DANNY'S DAD
I'm... I'm mister Weiner nice to meet you.

ALLY'S MOM
Hi! I'm Janice Goldberg

DANNY AND ALLY
We know!

DANNY'S DAD
Ok great! Give us 10 minutes.

He grabs Janice as they rush offstage

ALLY'S MOM
It'll only really be 7!

BLACKOUT.
